Events

EVENTS FOR EVERYONE!

Satakunta offers a diversity of events in culture, music and sport. Laugh heartily at the theatre, enjoy the atmosphere at a fair, or feel the adrenaline when challenging yourself in nature. Bring your family or best friends. These pages offer information on popular events to suit every taste. What type of events do you love?

Pori Jazz

The legendary and international music festival, Pori Jazz, turns Pori into the focus of Finland in July. In addition to jazz, the event presents blues, pop, reggae and rock stars from Finland and overseas. Drop by on the jazz street and enjoy free concerts and the relaxed atmosphere in a unique summer milieu. There is plenty to do and see for people of all ages!

Jämi Fly In & Airshow

Jämi, in the Northern Satakunta, has a specialty in its long aviation history. Several small planes visit the Jämi airport every year. The annual Jämi Fly In is a well-known aviation event. It is organised by a member organisation of the Finnish Aeronautical Association and it offers visitors excitement in the form of aviation shows, airplanes and other gadgets.

Culture

KNOWN FOR ITS CULTURE!

Satakunta is known as a cultural province whose unique, genuine and heartfelt approach to art and culture has produced numerous success stories. In Satakunta, you'll find culture everywhere! It's in the scenery shaped over the time and in buildings from different eras. Refresh yourself at theatre plays and visit exhibitions at museums! Feel the deep roots of history! Explore the culture without forgetting our wonderful cultural events!

VASTAVALO

World heritage sites

Unesco World Heritage Sites represent the internationally unique cultural and natural heritage. There are two of these sites in Satakunta and both of them are located in Rauma. Old Rauma and Sammallahdenmäki offer history, exotic aspects and much more from idyllic wooden house districts to impressive burial cairns. Look what the World Heritage Sites in Satakunta can offer to you!

Nature and experience

RELAX AND EXPERIENCE SENSATIONS!

Unforgettable experiences! Let all the hurry and worry fade away amidst the daily toil and explore the richness of nature in Satakunta. The Bothnian Sea and the numerous rivers and lakes are the prides of our province.

Our national parks

The three national parks in Satakunta are located in different parts of the region. Admire the swamp scenery from the duckboards, or enjoy the serenity of a sailing trip on the Bothnian Sea. Climb up a birdwatching tower and embrace the peace of nature. Our national parks offer you the greatest natural beauty in Finland. All of their four seasons are worth experiencing!

Yyteri – the beach destination of your dreams

Six kilometres of sand and dunes, water slides, surf centre and birdwatching towers...

Diversity is Yyteri's chief asset! You can enjoy the loveliness of a beach holiday, explore the nature in the river delta areas or spend an active day horseback riding and playing volleyball.

In the winter, Yyteri transforms into a skiing and sledging area. In addition to activities, Yyteri has a plethora of accommodation services, as well as meeting and event venues.

Lake Pyhäjärvi, Säkylä

Lake Pyhäjärvi, situated mainly in the area of Säkylä, is the biggest lake in southwestern Finland. It is renowned for its clean and clear water and big yields of fish, and the maintenance of its natural state is secured by the common efforts of the inhabitants, of the municipality, and of the industry.

Living

LIVING HERE IS EASY!

Close your eyes and imagine your dream life. What do you see? Is your dream to live in an idyllic country house by the sea or in a penthouse downtown? Thanks to short distances, it's easy to combine living, leisure and work in Satakunta. Housing is inexpensive compared to other places in Finland. You'll get your own plot by the water for the price of a one-bedroom apartment in a block of flats in the metropolitan area. As such, you will have more time and resources for other luxuries in life. Parks and opportunities for hobbies add a little more to the comfort of living. Feeling safe in your daily life will help you feel like home here.
